## **EXAMINER'S COMMENT**

### ***Response to Arguments***

The amendments to the drawings are sufficient to overcome the objection presented in the previous Office Action. The objection to the drawings has been withdrawn.

The amendments to the specification and claims 6 and 11 are sufficient to overcome the objections presented in the previous Office Action. The objections to the drawings and claims 6 and 11 have been withdrawn.

The amendments to claims 4 and 7 are sufficient to overcome the objections presented in the previous Office Action. The objections to claims 4 and 7 have been withdrawn.

Applicant's arguments regarding claims 1-3 have been considered but are moot, as those claims have been cancelled.

Applicant's arguments regarding the rejections of claims 4-13 under 35 USC 112, second paragraph have been fully considered and are persuasive. The rejections of those claims have been withdrawn.

### ***Allowable Subject Matter***

Claims 4-13 are allowed.

### ***Reasons for Allowance***

The following is a statement of reasons for allowance.

The primary reason for the allowance of the claims is the inclusion of the limitations:

- determining whether a recommended course of action has been performed by an administrator and responsive to said determination, further determining whether an outcome from said course of action comports with a predicted outcome;
- changing a point count responsive to a further determination that said outcome from said course of action comports with said predicted outcome, and oppositely changing said point count responsive to a further determination that said outcome from said course of action does not comport with said predicted outcome,

These limitations together are not taught or suggested by the prior art references.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
